BIOWATCH - continued coordination with START on regional developments and future plans. Attended one of the three BW 101 training course given to the Dallas FD at their training center.

REGIONAL ICS - worked on updating the regional persons trained in the ICS Key Leadership Positions and as members of the regional IMT.

WESTBANK ASBESTOS - continued working on the current FOIA by classifying whether each files is releasable or not. An Update of releasable files is near completion which should assist in future FOIAs.

OSC CORPUS EXERCISE - continued the developing the planning and development of the annual field exercise for OSCs.
